Football Tournament 2019

Volume 1, Issue 1

17/10/2019

For the last two weeks pupils have taken part in our first-ever St John and St James inter-house tournament. The tournament took place over two weeks and created an environment in the school that promoted teamwork and sportsmanship. Each house tried their best and we saw some amazing goals and skills on the pitch across the two weeks. Our final for Years 5 and 6 was between Pymmes and Capel. Pymmes claimed the victory with a 4-1 win.

All pupils in Key Stage Two had the opportunity to watch and support their house.

"I enjoyed watching the fabulous football match, because I could support my team. " -Kimarah

"I was able to improve my football skills and work in a team." -Romero
