From the Headteacher

I cannot believe that the first term is passing so quickly. As we head towards the busy Christmas season, the nights are closing in and it is dark by the time our after school clubs end, therefore we ask that all children attending clubs, even in Years 5 and 6, are collected by an adult or older sibling.

My first term as headteacher has been extremely busy and I have had the privilege of meeting and talking with many of you. We always welcome your feedback so please come and share any concerns that you have.

December is going to be a busy month. We have included our upcoming events at the end of this newsletter so pin it up so that you don't miss out!

BELIEVE AND ACHIEVE

Our vision is to create an inclusive community of aspirational learners, children, families and colleagues, working collaboratively and respectfully within a happy, nurturing environment where all flourish and achieve.

'I have come that you may have life, life in all its fullness'.

Waste Warriors

On Wednesday 6th November 2019 a group of children joined children from other schools at Edmonton Green Shopping Centre as part of the 'Waste Warriors' project.

"Our aim was to raise awareness about how people could help the environment."

Jeremy

"I've learnt that you can recycle things and how to tell people to recycle things to save the rivers, oceans and seas."

Clifford

"We asked people to organise things and we told them that you can organise bottles, plastic cups, plastic bags and lots more."

Marithe

"I learnt that landfill is going to be full by 2030 and that is a fact!"

Marithe

"I enjoyed giving people in need food for free so it does not go to waste."

Kaboom! Calls for a ban on noisy fireworks

Should fireworks be silent? You may have heard lots of noisy explosions this week. They can be scary for animals. Luckily, we have invented fireworks that do not make any noise at all.

Parliament Week

During the week of the 4th – 8th November we took part in UK Parliament Week.

During this week we learned about the importance of Parliament

and how this affects our daily lives.

We had visitors from The Education Outreach department at UK parliament as well as a visit by

Clare De Silva, The Shadow Cabinet Member for Health and Social Care in the London Borough of Enfield.

MATHS MASTERCLASS

On Wednesday 13th November a group of children from Year 6 took part in a maths masterclass led by 'Mr Numbervator' – Isaac Anoom.

The children spent the day solving maths problems like the one below:

A bumble bee's wings beat 230 times per second. (This is a true fact!) How many times do a bumble bee's wings beat in 1 hour?

3D Class Assembly

Class 3D enjoyed showcasing everything they have learnt in school so far! From sharing their knowledge on having a balanced diet to celebrating the Hindu festival of Diwali, Class 3D showed that they have been able to learn brilliantly and that with a growth mindset we can achieve incredible things!
