

Maths Challenge

Maths activities for all the family

Weekly Challenges

Send us pictures of your work!

Enfield School and Early Years Improvement Service are running weekly maths challenges for children and families

You can take part from home or, if your parents/carers are key workers, from school.

Challenge 8

Make a platonic solid

Suggested age range: 5-11

Make platonic solids (platonic solid is a regular 3-dimensional shape where each of the faces is the same regular polygon) out of straws or paper/card. Follow the link to download the templates and watch a video on how to make different platonic solids

<https://www.mathsontoast.org.uk/bites/how-to-make-platonic-solids/>

Why not send us a picture of what you have done? Send a photograph of your platonic solid with a completed application with **Maths Challenge 8** written in the subject line to:

Enfieldlearnstogether@centralenfieldclc.org.uk

Please do not include children in the photograph.

All photographs submitted will be displayed on an online gallery and you will be sent a link to the gallery when the pictures are uploaded

An application form can be downloaded from

<https://traded.enfield.gov.uk/thehub/enfield-learns-together/maths-challenge>
