

Maths Challenge

Maths activities for all the family

Weekly Challenges

Send us pictures of your work!

Enfield School and Early Years Improvement Service are running weekly maths challenges for children and families

You can take part from home or, if your parents/carers are key workers, from school.

Challenge 9

2019 Challenge

Suggested age range: 5-11

Can you find ways of getting numbers 1-12 using only 2,0,1,9 and the 4 operators (addition, subtraction, division and multiplication). This is a bit out of date but 2019 is a more interesting number than 2020!

<https://www.mathsontoast.org.uk/wp-content/uploads/2019/01/Happy-New-Year-2019-Number-Card.pdf>

Why not send us a picture of what you have done? Send a photograph of your working out with a completed application with **Maths Challenge 9** written in the subject line to:

Enfieldlearnstogether@centralenfieldclc.org.uk

Please do not include children in the photograph.

All photographs submitted will be displayed on an online gallery and you will be sent a link to the gallery when the pictures are uploaded

An application form can be downloaded from
