26th February 2021

Dear Parents and Carers,

I hope that you are all continuing to do well and manage to balance work, home and family responsibilities with the demands of remote learning. We are all really proud of everything you and the children have achieved.

I know that things continue to be challenging for everybody but end is in sight and we are delighted to be able to welcome all of our children back from Monday 8th March 2021.

We want to share information with you as and when we get it so that you as parents and carers always feel informed. More information will be shared when full reopening plans are finalised.

Sadly, during the school closure we have had to say 'goodbye' to Mrs Dsane Quist, who has resigned for personal reasons, we all wish her well and would like to take this opportunity to thank her for everything she has done for our children over the past 3 and a half years.

On a positive note, we have been busy looking for a new, experienced class teacher who is ready to get the children settled back into the classroom and give them the learning experience they deserve, without further disruption.

We are delighted to introduce, Michelle Coley, as the new St Marys' Class teacher. She has included a short message below to introduce herself.

If you have any questions or concerns please give us a call or send an email to office@stjohnandjames.enfield.sch.uk.

Kind Regards

Patsy Cuncarr

LONDON BOROUGH OF ENFIELD

Hi!

My name is Miss Coley and I will be your new class teacher! I am excited to be joining St John and St James and teaching your child(ren) until the end of the school year.

I have had 10 years experience working within schools and have previously taught Year 1, 2, 3, 4 and 5 during that time. I am passionate about children's learning, giving them the skills they need to become independent learners as well as working on their growth mindset to persevere!

I look forward to welcoming you back into school and helping the children adjust back into school life seamlessly. I can't wait to meet you all! :)

Many thanks,

Michelle Coley
